Dear Bahá'í Friends,

We are writing at the request of the National Spiritual Assembly of the United States to inform the community of the existence of a Persian Reviewing Panel, appointed by and operating under the auspices of that National Assembly at the request of the Universal House of Justice. The Panel attends to the review and approval of manuscripts in Persian written by Bahá'ís in all countries, with the goal of ensuring that such publications represent the Bahá'í Faith accurately and with dignity.

We ask you to bring to the attention of the Persian friends that authors of manuscripts pertaining to the Faith and written in the Persian language are asked to submit their works to the Panel for review prior to making arrangements for their publication. The Panel may be contacted by email at persian@usbnc.org and by phone at 847-733-3528.

With loving Bahá'í greetings,

Karen McKye, Secretary
